Powered Saw Table

PTA001

Features

Factory fitted 184mm, 1600W circular saw. Unique saw clamps allow quick removal and re-fitting of saw for hand-held use.

Easy to lock rip fence with 0 - 450mm capacity on either side of the blade.

See-through overhead guard with anti-kickback fingers and dust extraction port.

Protractor provides up to 450mm crosscut travel and 180° angle adjustment for perfect mitre joints and tapers.

Large (510 x 700mm) table for maximum workpiece support

Integral push-stick & side pressure finger for safe ripping of narrow pieces.

Safety STOP plate for hands-free power shut-off.

Legs adjust independently for levelling on uneven ground. On-board leg storage for easy transport and storage.

Hanging clips for onboard accessory storage.
